Proteins as Drugs – from Discovery to Innovation

TIME: 9.30 – 17.30
PLACE: IKDC, Sölvegatan 26, Lund, Sweden
**PROGRAM and links to homepages**

09.30  Registration and Coffee

*From education to big pharma – insights into successful [up and coming] operations in Sweden and Denmark*

10.00  How to innovate protein based therapies for chronic diseases?
Kristian Tage Hansen, PhD, Novo Nordisk  
HOMEPAGE: [http://www.novonordisk.com](http://www.novonordisk.com)

10.40  Making Proteins for MaxIV and ESS
Derek Logan, Prof., Lund U  
HOMEPAGE: [http://www.cmps.lu.se/biostruct/people/logan/](http://www.cmps.lu.se/biostruct/people/logan/)

11.00  Approaches to improve mucosal delivery of proteins
Hanne Mørck Nielsen, PhD, Kopenhagen U  

11.40  Start 2012: Pharmacy program
Tommy Eriksson, PhD, Program director, Lund U  
HOMEPAGE: [www.lu.se](http://www.lu.se)

12.00 – 13.00  LUNCH

*Academic research approaching industry*

13.00  Proteomic approach for risk assessment in breast cancer
Carl Borrebaeck, Prof., Lund U  
HOMEPAGE: [http://www.immun.lth.se/](http://www.immun.lth.se/)

13.30  Exploring Wnt5a signaling as an anti-metastatic target in breast cancer
Tommy Andersson, Prof., Lund U  
HOMEPAGE: [http://www.med.lu.se/english/labmedmalmo/cell_and_experimental_pathology](http://www.med.lu.se/english/labmedmalmo/cell_and_experimental_pathology)

14.00  Specificity-focused and function-based approaches to the development of next generation therapeutic antibodies
Björn Frendéus, PhD, BioInvent  
HOMEPAGE: [http://www.bioinvent.se/](http://www.bioinvent.se/)
14.30 – 15.45  COFFEE & POSTERS

15.45  Alligator’s FIND® Technology - access innovation to improved protein drugs
Christina Furebring, PhD, VP R&D, Alligator Bioscience
HOMEPAGE: http://www.alligatorbioscience.se/

16.15  Host defense peptides - from basic concepts to therapeutic opportunities
Artur Schmidtchen, Prof., Lund U

16.45 – 17.30  PANEL DISCUSSION

How can we optimize financial and human capital resources to facilitate knowledge transfer between academia and industry?

Participants:

Sibylle Lenz, PhD, CEO, Alligator Bioscience
HOMEPAGE: http://www.alligatorbioscience.se/

Lars Montelius, Prof., Öresundsuniversitetet
HOMEPAGE: http://www.oresund.org/campus

Lars Rask, vd Stiftelsen för Strategisk Forskning
HOMEPAGE: http://www.stratresearch.se/

Artur Schmidtchen, Prof., Lund U

17.30  END OF DAY
