LUND UNIVERSITY

Faculty of Engineering LTH
International Office

Fact Sheet – 2017/2018

University Name	Lund University Faculty of Engineering LTH
Erasmus Code	S LUND01
Address	Lund University The Faculty of Engineering LTH P O Box 118 SE-221 00 LUND, Sweden
Visiting Address	John Ericssons väg 3
Web site	www.lth.se/english

Contacts

Dean of the Faculty of Engineering LTH	Professor Viktor Öwall viktor.owall@rektor.lth.se
Assistant Dean for International Relations	Professor Per Warfvinge per.warfvinge@rektor.lth.se Phone: +46 46 222 3626
Head of the International Office LTH	Ms Christina Grossmann christina.grossmann@kansli.lth.se Phone: +46 46 222 3457
Coordinators for Incoming Students in Engineering	Ms Andrea Tarlé-Borgström Phone: +46 46 222 3411 Ms Elna Andersson Phone: +46 46 222 9245 incoming@kansli.lth.se
Coordinators for Outgoing Students in Engineering	Ms Sophia Nilsson Dequidt Phone: +46 46 222 3381 Ms Marie Brink Phone: +46 46 222 3718 outgoing@kansli.lth.se
Coordinator for the International Master's Programmes	Ms Helene von Wachenfelt helene.von_wachenfelt@kansli.lth.se Phone: + 46 46 222 9746 Ms Lykke Jacobsson lykke.jacobsson@kansli.lth.se Phone: +46 46 222 7201 Ms Cecilia Nilsson cecilia.nilsson@kansli.lth.se Phone: +46 46 222 9722

Application dead-lines

Information for exchange students	http://www.lth.se/english/education/exchange-studies/
Nomination and student application	https://exchange.lth.se/
Dead-lines for fall semester and academic year	Nomination: February 15 – April 15 Application: April 1 – April 25
Dead-lines for spring semester	Nomination: September 1 – October 15 Application: October 1 - October 25
Accommodation application	April 3 - April 25 October 1 - October 25
Courses	http://www.lth.se/english/education/exchangestudies/courses/ Incoming exchange students are required to register for 30 credits per semester, no more no less. Important! Students are not allowed to change courses unless there are problems in terms of course clashes or any other justifiable reason. Please inform your students to think carefully when making their study plan and make sure they study the course syllabus and schedule. LTH does not have an Add & Drop period after Arrival.
Swedish language course	Free of charge. Limited number of seats. Available for exchange students. http://www.sol.lu.se/sfs/exchange/?expand_menu=9&language=EN

Academic Calendar

Autumn semester Arrival Day	Beginning of September – mid January Mid August
Spring semester Arrival Day	Mid January – beginning of June First half of January
Academic Calendar	http://www.lth.se/english/education/academic-system/academic-calendar/

Academics

Academic Structure	5 years MSc in engineering programmes 5 years Master of Architecture 3+2 years Bachelor/Master of Fine Arts in Design 2 years international master's programmes
Language of Instruction	Mostly Swedish during the first 3 years Mostly English during the last 2 years
Language requirements	http://www.lth.se/english/education/exchangestudies/how_to_apply/
Academic system	Full-time workload: 30 credits/semester, 1 credit = 1 ECTS credit http://www.lth.se/english/education/academic-system/
Grading system	NB! ECTS grades are not awarded! Engineering studies and Industrial Design: The four level grading scale (5, 4, 3, U) and G "Godkänd" (Pass) and U "Underkänd", (fail).are both used. Architecture: G "Godkänd" (Pass) or U "Underkänd" (Fail) Degree projects: Grades are not given on degree projects. Hence the grading scale only includes the grade G "Godkänd" (Pass) or U "Underkänd" (Fail).
Official Academic Transcript of Records	EU/EES: Sent directly to the exchange student. Outside EU/EES: Sent to the partner university
