School of Industrial Design
Pia Jablonsky, Programme Coordinator

Courses for exchange students at the School of Industrial Design Autumn semester 2020

Full-time studies are equivalent to 30 credits each semester.

It is best not to combine courses in Industrial Design from different semesters to avoid schedule conflicts. After the portfolio screening, you will be placed in one specific semester and will automatically be offered the course package for that semester.

Course package, year 2 Bachelor level, Autumn semester

Course	Credits	Code
Applied Aesthetics, Visual Communication, part III	6	AFOA05
Design Methodology	13	IDEA76

* You should select courses other than "Courses at the School of Industrial Design" to have a full time workload (see link above). Make sure you fulfil the requirements, before applying for a course.

Course package year 3, Bachelor level, Autumn semester

Course	Credits	Code
Electrical Engineering: Possibilities and Limitations	4	ETIA06
Applied Aesthetics, Visual Communication, part IV	6	AFOF21
Portfolio Technique	3	IDEF06
Industrial Design Project C	11	IDEF11
Production	6	MMTF01

Course package year 1, Master level, Autumn semester

Course	Credits	Code
Aesthetics	5	AFON01
Introduction	5	IDEF25
Industrial Design Project I	15	IDEN05
CAD Evolution	5	IDEN45

Course package year 2, Master level, Autumn semester

Course	Credits	Code
Design Management 2	5	IDEN40
Research Methods in Industrial Design	5	IDEN35
Industrial Design Project III	20	IDEN25

Course descriptions in the Bachelor's programme:

Course descriptions in Master's programme:

<http://kurser.lth.se/lot/?val=program&prog=MID>

Click on KE and you will be linked to the English version of each course syllabus.

It is possible to replace courses at the School of Industrial Design with other courses but be aware of schedule conflicts. Please find a list of courses for exchange students from other disciplines at Lund University here: <http://www.lth.se/english/study-at-lth/exchange-studies/find-exchange-courses/> Make sure you fulfil the requirements before applying for a course. The School of Industrial Design cannot advice students about courses outside the school.
