

Study Plan 1 is the first out of two study plans to be completed in LTH's exchange application process. Study Plan 1 will be assessed by the International Office LTH in your exchange application to LTH, and Study Plan 2 will later be approved by your programme director if you are nominated.

## Instructions

Complete one individual form for **each** university you are applying to.

1. Personal information:

- Fill out your personal information.

2. Host university:

- Name the university you are applying to and the faculty/department where the **majority** of your courses are held. If you are nominated, you will be assigned to this faculty/department.
- Fill out which field of study you wish to study at the host university and the amount of credits at the host university equivalent to 30 HP at LTH.

Use the conversion table (omräkningstabell) available at LTH's website for reference.

[Krav för att få söka \(LTH's website\) \(in Swedish\)](#)

3. Courses at the host university:

- Specify the courses you wish to study at the host university during the semester(s) you are applying for. Make sure to check the host university's course catalogue and/or website, as well as any restrictions to the course/field of study you are applying for.
- Specify the level of study for each course  
[Dina valmöjligheter \(LTH's website\) \(in Swedish\)](#)
- Provide a link to each course's syllabus.

## 1. Personal information

Given name:	Surname:
Personal identity number:	Programme at LTH:

## 2. Host University

Name of host university:	Faculty/department at the host university
Field of study:	Credits at host university equivalent to 30 HP at LTH:

I hereby certify that I am aware of the LTH's eligibility requirements.

[Krav för att få söka \(in Swedish\) \(LTH's website\)](#)

I hereby certify that I am aware of any subject restrictions at the host university.

[Dina valmöjligheter \(LTH's website\) \(in Swedish\) \(open the XLS-file "Sökbara universitet" and read "Viktig information" for information on subject restrictions\)](#)
