- Eindhoven University of Technology, Dep of Chemical engineering: Chemical Engineering and Process Technology (2nd) English
- Eindhoven University of Technology, Dep of Civil Environmental Engineering: Building and Civil Engineering (1st) English
- Eindhoven University of Technology, Dep of Civil Environmental Engineering: Building and Civil Engineering (2nd) English
- University of Otago: Food Processing (1st) English
- University of Otago: Food Processing (2nd) English

Additional notes:
- All courses require a minimum of 180 ECTS credits.
- Additional options available include: Bachelor of Science in Electrical Engineering, Bachelor of Science in Mechanical Engineering, and Bachelor of Science in Civil Engineering.
- Recommended for 5th year students.
- Full semester only.
- Business administration, Business administration, Business administration.
- Full semester only.
- Not available: Business administration, Engineering management.
- Full semester only.
- Recommended for 5th year students.
- Full semester only.
- Full semester only.
