

CURRICULUM VITAE

January 2009

Marianne Jahre

Associate Professor

Department of Strategy and Logistics
BI Norwegian School of Management
0442 Oslo, Norway
Telephone: +47 46 41 0475
E-mail: marianne.jahre@bi.no

Professor

Department of Industrial Management and Logistics
Lund University
Box 117, S-221 00 Lund.
Telephone: + 46 22 29153
E-mail: marianne.jahre@tlog.lth.se

Educational background/competence evaluations/employments

- Professor 2008: Dept. of Industrial Management and Logistics, Lund University
- Docent 2007: Dept. of Technology Management and Economics, Chalmers University of Technology
- Doctor of Philosophy (Ekonomie Doktor) 1995: Chalmers University of Technology, Dept. of Transportation and Logistics.
- Licentiate of Engineering 1992: Chalmers University of Technology, Dept. of Transportation and Logistics.
- Master of Management (siviløkonom) 1988: BI NSM - Major: Business Logistics.
- Delegate International Federation of Red Cross Red Crescent Society from November 2008, Basic Training Course, Norwegian Red Cross,
- Project leader HUMLOG-NET: Humanitarian Logistics Networks – a 3 year research project funded by the Norwegian Research Council.
- Research Professor, Terje S. Backe's professor chair, from 1st January 2005, Head of research centre for the construction industry.
- Visiting professor at CRET-LOG, Centre de REcherche sur le Transport et la LOGistique, Université de la Méditerranée 2003-2008.
- Project leader from 2001-2005: NETLOG: Logistics Networks – 5-year research project involving 7 PhD. students and 10 researchers. NOK 12 million funded by The Norwegian Research Council and 7 Norwegian companies.
- Responsible for Major in Logistics: Supply Chains and Networks BI –NSM.
- Associate professor 1995-2005 including course and program development, research, supervision and teaching.
- Head of Department of Logistics from 1999 – 2002.
- Member of the board of directors, VINN Excellence Centre NGIL – New Generation Innovative Logistics from May 2008.
- Board member of SAMTRANS, The program for research on transport and logistics in the Norwegian Research Council from January 2009
- Board member in Lindum Ressurs & Gjenvinning from January 2008
- Responsible for NOFOMA– Nordic Conference for Logistics Researchers and Educators organised by BI, 1989, 1995, and 2006.

Committee, opponent and reviewer work

- Main supervisor K. Navangul: humanitarian logistics starts Jan.2009 and A. Brekke: environment: finished spring 2009

- External examiner at a PhD. thesis in military logistics at Department of Defence Management and Security Analysis, Cranfield University, 2009
- Supervisor and examiner for PhD.thesis in humanitarian logistics, Technische Universität Berlin 2008 and in recycling, Université de la Méditerranée 2007.
- External examiner and member of grading committee at a PhD. thesis at Lund University 2007, 2005, Helsinki University of Technology 2007, Helsinki School of Economics 2006, Norwegian University of Science and Technology 2005
- Discussant at final seminar/licensiate seminars at Chalmers University of Technology 2007, 2004, Lund University 2005, Linköping University 2001, 2000
- Participating in development of Nordic Graduate School of Logistics 2002.
- On the editorial board and reviewer for a number of journals and reviewer and chair for a number of conferences in logistics/SCM/industrial networks.
- Member of scientific committee for RIRL in Fortaleza, Brazil in August 2004. RIRL is an academic conference for Southern European and Latin countries.
- Diverse evaluation committees for academic positions in the Nordic countries.
- Speeches at diverse practitioners conferences within transport, packaging, construction and recycling.
- Member of programme committee ‘Transportbrukerkonferanse’ 2007
- Initiator and organiser of special track on humanitarian logistics at ‘Transportbrukerkonferansen’ 2007, 2008
- Member of the Board; LOGMA (Organization for Logistics) 1992 – 1995
- OECD – roundtable participant on waste transport in Europe, Paris 1999.
- Member of the Board; CLM, Norway Roundtable, 2000-2002.

Summary of teaching experiences

- *Undergraduate level:* Course development, responsibility and teaching in basic logistics course, specialisation in logistics and company specific courses.
- *Master level:* Course and programme development, responsibility, supervision and teaching in Case course in logistics, Strategic Logistics, Transport- and distribution planning, humanitarian logistics Master of Management in Supply Chain Management and Purchasing, Thesis Seminar, Environmental Management and Logistics. Specialisation in logistics (siviløkonom), Master of Science Specialisation in Logistics: Supply Chains and Networks, Executive programme in Strategic Management in the Construction and Building Industry. Guest teacher at the Master (DESS & DEA) programme at CRET-LOG, Centre de REcherche sur le Transport et la LOGistique, Université de la Méditerranée. during the years 2003, 2004, 2006, 2007. Guest teacher at the Master of International Management at University of Toulouse.
- *Doctoral level* Development and teaching logistics in a common Nordic programme, Lecturer at PhD. course in Logistics - Turku School of Economics 2003, SCM and the Environment, Lecturer/discussant in doctoral workshop for European doctoral students in logistics in Paris 2003, .Lecturer at PhD. course in CRET-LOG, Université de la Méditerranée 2003/2004, Lecturer at PhD. course in Methodology in Logistics, organised by Copenhagen Business School 2004.

List of publications

(Unless otherwise specified the contributions among co-authors are equal.)

1. Jahre, M. (1992) *Strategic choices in a changing aluminium industry - An analysis of the aluminium industry and the strategic choices among the most important producers*, Thesis for the degree of Licentiate of Economics, Chalmers University of Technology, Department of Transportation and Logistics
2. Jahre, M. (1995) *Logistics Systems for Recycling - Efficient Collection of Household Waste*, Doctoral Dissertation for the degree of Doctor of Philosophy, Chalmers University of Technology, Department of Transportation and Logistics.
3. Jahre, M., Jensen, L-M. and Listou, T. (2009) Theory development in Humanitarian Logistics - A Framework and Three Cases, forthcoming in *Management Research News*.
4. Fabbe-Costes, N., Jahre, M. and Roussat, C. (2009) Supply Chain Integration: The role of third party providers, *International Journal of Productivity and Performance Management*. Vol. 58, Issue 1, 71-91.
5. Jahre, M. and Heigh, I. (2008) Does failure to fund preparedness mean donors must prepare to fund failure in humanitarian supply chains?, forthcoming in *Supply Chain Forum: An International Journal*. Vol 9 No 2.
6. Fabbe-Costes, N. and Jahre, M. (2008) Performance and Supply Chain Integration – a review of the empirical evidence, *International Journal of Logistics Management*, Vol.19 Issue 2, 130-154.
7. Jahre, M. (2008) ‘The Ugly Duckling’ – Anniversary Speech 20th Anniversary NOFOMA-Conference, forthcoming in *International Journal of Physical Distribution and Logistics Management*, Vol.38 No.10.
8. Fabbe-Costes, N. and Jahre, M. (2007) Supply chain integration gives better performance – The Emperor’s New Suit?, *International Journal of Physical Distribution and Logistics Management*, Vol.37, Issue 10, 835-855.
9. Fabbe-Costes, N., Jahre, M. and Rouquet, A. (2006) Interacting Standards – a basic element in logistics networks, *International Journal of Physical Distribution and Logistics Management*, Vol. 36 Issue 2, 93-111.
10. Gripsrud, G., Jahre, M. and Persson, G. (2006) Supply Chain Management – back to the Future?, *International Journal of Physical Distribution and Logistics Management*, Vol.36 Issue 8, 643-659.
11. Jahre, M. and Fabbe-Costes, N. (2005), Adaptation and Adaptability in Logistics Networks, *International Journal of Logistics: Research and Applications*, Vol. 8 No. 2, 143-157. (I am main author on this paper)
12. Jahre, M. and Hatteland, C-J. (2004) Packages and Physical Distribution - implications for integration and standardization, *International Journal of Physical Distribution and Logistics Management*, Vol. 34 Issue 2, 123-139. (I am main author on this paper, Hatteland supplied the case.)
13. Gadde, L-E, Håkansson, H., Jahre, M. and Persson, G. (2002) ‘More instead of less’ – strategies for use of logistics resources, *Journal on Chain and Network Science*, Vol. 2 No. 2.
14. Jahre, M. (1995) Household Waste Collection as Reverse Channels - a theoretical perspective, *International Journal of Physical Distribution and Logistics Management*, Vol. 25 Issue 2, 39-56.

15. Arlbjørn, J.S., Halldórsson, A. Jahre, M. and Spens, K. (eds.) (2008) *Northern Lights in Logistics and Supply Chain Management*, Copenhagen Business School Press.
16. Jahre, M. and Persson, G. (2008) *Origins and Influences in Logistics – Is there a Nordic Approach?*, in Arlbjørn, S.J., Halldórsson, A. Jahre, M. and Spens, K. (eds.) *Northern Lights in Logistics and Supply Chain Management*, Copenhagen Business School Press.
17. Jahre, M., Flygansvær, B. And Elvekrok, I. (2006) *Influencing in Logistics Networks*, in Jahre, M., Gadde, L-E., Håkansson, H., Harrison, D. and Persson, G. (eds.) *Resourcing in Business Logistics – The art of systematic combining*, Liber AB, Sweden. (I am main author on this chapter, Flygansvær supplying the cases and Flygansvær and Elvekrok commenting on drafts.)
18. Jahre, M., Gadde, L-E., Håkansson, H., Harrison, D. and Persson, G. (eds.) (2006) *Resourcing in Business Logistics – The art of systematic combining*, Liber AB, Sweden.
19. Jahre, M. (2006) *Logistics Networks – Economic Log(ist)ics in Construction*, in Stentoft Arlbjørn, J., Halldórsson, A. Jahre, M., Spens, K. and Stefansson, G. (eds.), *Nordic Case Reader in Logistics and Supply Chain Management*, University Press of Southern Denmark.
20. Arlbjørn, J.S., Halldórsson, A. Jahre, M., Spens, K. and Stefansson, G. (eds.) (2006) *Nordic Case Reader in Logistics and Supply Chain Management*, University Press of Southern Denmark.
21. Jahre, M. and Brekke, A. (2006) *Logistikk og Miljø*, in Persson, G. and Virum, H. (eds.) *Logistikk – et lederansvar*, Gyldendal Akademisk. (I am main author on this. The chapter builds on a previous single author version. Brekke added certain aspects.)
22. Jahre, M. (2003) *Writing Scientific Papers – some reflections*, in Ojala, L. (ed.) *Case Study Research for Logistics*, Turku School of Economics.
23. Dreyer, H., Jahre, M. and Virum, H. (2003) *Dynamics in TPL- relationships: A Norwegian case study*, in Andersson, D. Dreyer, H.C. Halldórsson, A. Jahre, M. Ojala, L., Skjøtt-Larsen, T. and Virum, H. (eds.), *Third Party Logistics – A Nordic Research Approach*, Turku School of Economics, October 2003.
