

Energize your development

Discover strategy consulting in our world of challenging change: E.ON Inhouse Consulting CaseMatch, April 11th-12th, 2013 in Germany

The CaseMatch is your opportunity to take on exciting challenges and gain consulting methods and feedback to grow. Teaming with students from Europe's leading universities and young professionals you will work on a conceptual case based on current E.ON Inhouse Consulting (ECON) projects. Together we will shape E.ON's future by taking strategic business development decisions among alternative innovative ideas and technologies. You will learn core consulting capabilities to systematically develop investment recommendations with your team and during client interviews.

Get to know us and find out whether ECON is an option for you. If you leave a lasting impression on us, you will receive an invitation to our 'CaseMatch Alumni Pool'. In any case we will provide you with detailed feedback on your performance and our recommendations for your growth.

Who we are

ECON is the internal management consultancy of the E.ON Group and the preferred partner of E.ON's top management. With round 100 employees located in Essen, ECON combines state-of-the-art consulting methodologies, comprehensive functional and industry expertise, deep E.ON insights and experience with a practical approach to building capabilities and delivering real impact. We serve the high end of the consulting services spectrum in full competition with external top management consultancies. Working with ECON offers you both: a challenging learning environment in consulting as well as an ideal stepping stone into an energy industry career.

We are looking for you

You are close to graduation or a post graduate with outstanding academics, strong problem-solving capabilities, advanced analytical and communication skills. Internships in strategy consulting or energy are no prerequisite for you to have acquired these capabilities.

We are looking forward to receiving your application. Please send your application (CV, short motivation letter, latest grades) to Ms. Rebekka Beyer (casematch@eon.com) until March 1st, 2013.

For more information have a look at our website www.eon.com/consulting/graduates.
