

**LTH**  
FACULTY OF  
ENGINEERING

Name: \_\_\_\_\_

## Additional information for engineering students.

During the eligibility control the course coordinator will check that you meet the specific requirements for the courses you have applied for. In order to do so we want you to complete the table below, **one row for each of the courses** you apply for. You need to list the courses you have taken and that are equivalent to the courses listed as admission requirements for the LTH course. These can be found in the syllabus. This document should be uploaded in your application in SoleMove along with all the required supporting documents. **All documents in your application need to be in English.**

Please do the following:

1. Check [Find exchange courses | LTH, Faculty of Engineering](#) to find the courses of your interest.
2. Check the course admission requirements in the syllabus.
3. Check [Schedule and courses | Student website LTH](#) to make sure the courses you want to take don't clash.  
For more information check [Study plan | LTH, Faculty of Engineering](#)
4. Fill in the tables below, one for each study period.
5. Save the document and upload it in your SoleMove application.
