

**LUNDS**  
UNIVERSITET

# LTH, Faculty of Engineering

LUND UNIVERSITY

## EDUCATION PROGRAMMES

- 16 integrated MSc in Engineering
- 5 Bachelor in Engineering
- Architecture
- Industrial Design
- Fire & Protection
- School of Aviation
- 19 International MSc + 4 joint

## 19 INTERNATIONAL MASTER PROGRAMMES (2 years)

- Architecture
- Biotechnology
- Digital Architecture and Emergent Futures
- Disaster Risk Management and Climate Change Adaptation
- Embedded Electronics Engineering
- Energy-efficient and Environmental Building Design
- Food Technology and Nutrition
- Industrial Design
- Logistics and Supply Chain Management
- Machine Learning, Systems and Control
- Nanoscience
- Pharmaceutical Technology: Discovery, Development and Production
- Photonics
- Production and Materials Engineering
- Sustainable Energy Engineering
- Sustainable Urban Design
- Virtual Reality and Augmented Reality
- Water Resources Engineering
- Wireless Communications

## ERASMUS+INTERNATIONAL PROGRAMMES:

- Food Innovation and Product Design
- Fire Safety Engineerin
- Large Scale Accelerators and Lasers

## JOINT DEGREE PROGRAMMES:

- EIT Master's in Food Systems

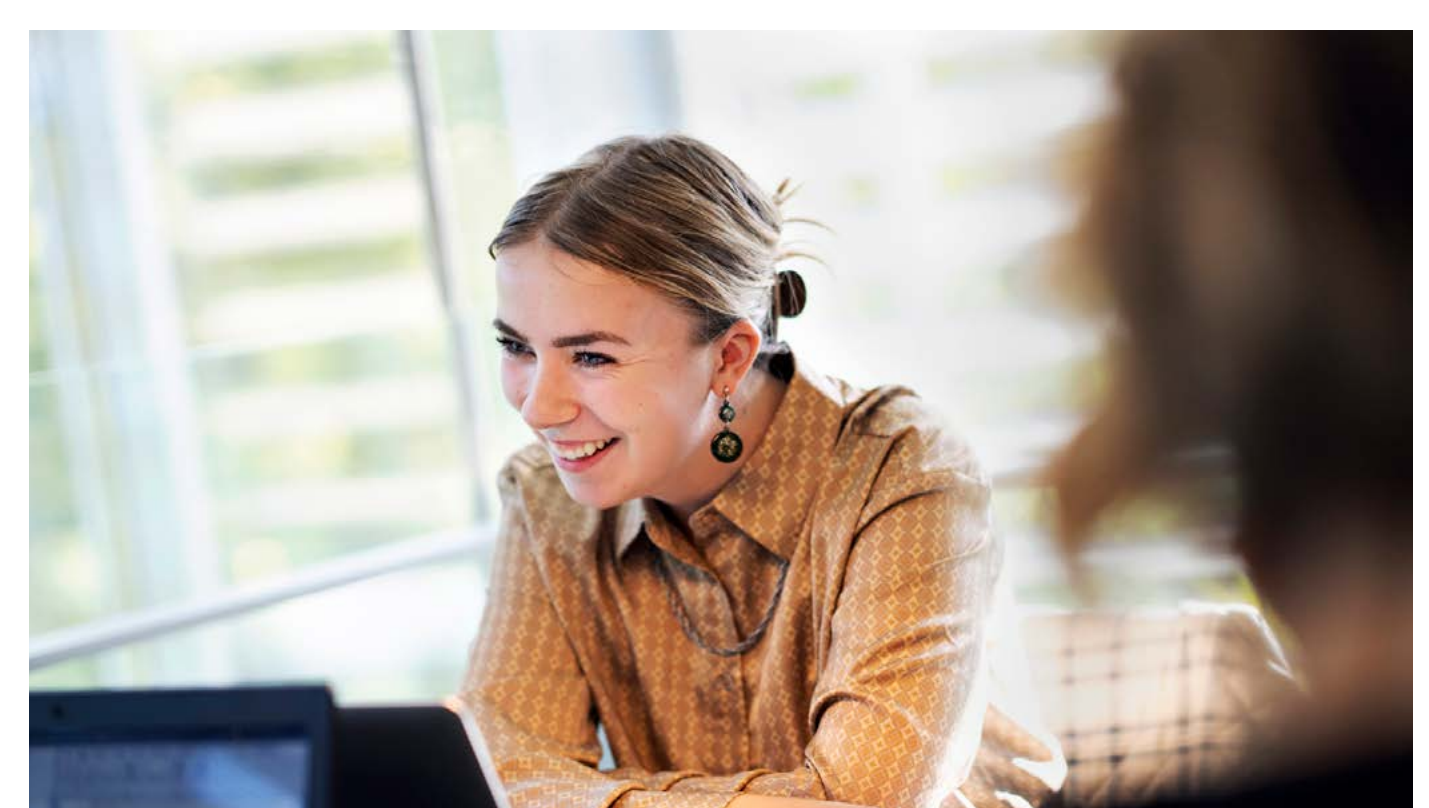

## PROFILE AREAS

LTH's collective excellence in research is gathered in seven profile areas. These research areas have special strength and potential, and with them LTH can further utilize synergies, mobilize expertise and build strong collaborations with the private sector and society as a whole.

- Aerosols
- AI and the Pillars of Digitalisation
- Circular Building Sector
- Energy Transition – Power and Transport
- Engineering Health
- Nanoscience and Semiconductor Technology
- Photon Science and Technology

**LTH IS A PLACE FOR  
DREAMS AND DISCOVERIES.**

**TOGETHER WE EXPLORE AND CREATE  
– FOR THE BENEFIT OF THE WORLD**

## LUND UNIVERSITY – A COMPREHENSIVE UNIVERSITY

- **Founded in 1666**
- **Ranked among the top 100 universities in the world**

### Nine Faculties

- » Medicine
- » Engineering
- » Science
- » Social Sciences
- » Humanities and Theology
- » Economics and Management
- » Law
- » Fine and Performing Arts

## LUNDS TEKNISKA HÖGSKOLA – LTH, FACULTY OF ENGINEERING

- Founded in 1961
- 10 000 BSc and MSc students
- 650 PhD students
- 450 incoming exchange students
- 350 outgoing exchange students
- Engineering, architecture and industrial design
